

## BENCH FORUM SUPERFICIE

**DIMENSIONS:** 55.11" x 18.11" x 5.11"  
**APPROXIMATE WEIGHT:** 540.13lb

### COLORS

The available colors are exclusive, with a visible finish.

### INSTALLATION

The use of forklifts is recommended for the proper installation of the Forum Superficie.

\*For technical clarifications, please contact the Engineering Department.

### PRODUCT INFORMATION

The Forum Superficie Curvus is a prefabricated architectural concrete element by Opticretos with dimensions of L:55.11", W: 18.11", H: 5.11" and a weight of 540.13lb, which functions as a resting element. It is part of a system of modulation between the elements of the collection and functions in its individual space.

### MANUFACTURING

Our benches are manufactured using special molds. The concrete is processed using automated machinery, ensuring the highest quality in materials. All our products are manufactured in a plant under controlled conditions.

### COMPONENTS

We use materials such as cementitious marble aggregates, anti-fungal additives, alkali-resistant polypropylene fibers, integral waterproofing additives, and hydrophobic sealant.

### ADVANTAGES

Stain-resistant

Durability

Easy installation

Environmentally sustainable

Its maintenance is minimal, and the color does not change or degrade over time since natural materials are used.

### CODES AND REGULATIONS

All our concrete products comply with current regulations. Some of these codes include: ACI 318, PCI (Precast Concrete Institute), IMCYC (Mexican Institute of Cement and Concrete), and the Building Regulations of the Federal District.
